

## Healthy & Safe Return to Campus Parent Information

We are excited to have your student return to campus in a small cohort as part of DJUSD's phased return to campus. In order to protect the health and safety of the DJUSD community, all students and parents/guardians who come on campus must receive education and training on the District's COVID-19 safety practices. Please review the following guidance with your student. Click on images or scan QR codes for access to training materials.

### Check for Signs & Symptoms

- Everyone who is sick is expected to stay home
- Check for wellness every day; if any positive risk factors/ symptoms, student must stay home

#### Daily Illness Screening Checklist

- LOOK for signs of illness
- ASK about symptoms
- TAKE a temperature
- Report positive/probable cases or exposure to [covid19reporting@djUSD.net](mailto:covid19reporting@djUSD.net) or (530)235-6137
- Update student health information & emergency contacts on the [DJUSD Parent Portal](#)
- If a student becomes ill while at school, guardian will be contacted immediately; ensure a guardian/ emergency contact is available

### Hand Hygiene

- Students are expected to wash/sanitize hands frequently & when directed by school staff
- Wash hands before & after coming on campus
- At a minimum, students will wash hands with soap/water before eating, after using the restroom, & when visibly dirty
- Students will have access to sinks, portable hand washing stations, & hand sanitizer

### Face Coverings

- Everyone is required to wear a face covering when indoors & when outdoors (if less than 6 feet apart)
- May remove face coverings when eating & exercising
- Face coverings must cover nose, mouth, & chin and may not have a vent/valve
- Clean daily after use
- Let a teacher, principal, or school nurse know if your student needs a face covering
- Contact the school nurse if your student is unable to wear a face covering due to a health condition

### Physical Distancing

- Everyone is expected to stay 6 feet apart from others
- Areas of campus may be marked to remind students to stay physically distanced
- Minimize gatherings outside of school to help cohort stay healthy and in school

### Limit Sharing

- Students provided with individual supplies as needed
- Bring water bottle, snack (if desired), & personal electronic device
- Students can fill water bottles at hydration stations (water fountains will be unavailable)
- Let a teacher or principal know if your child needs a water bottle
- No extra supplies or devices on campus
