

Welcome Da Vinci Families,

We would like to extend a big welcome back to school to all of our Da Vinci families. We look forward to another great year of working together to support our students and staff. We also look forward to meeting all of the new Da Vinci families to our community.

What is the Da Vinci Booster Club and what to they do?

The Da Vinci Booster Club serves all of Da Vinci Charter Academy, grades 7-12. We are a non-profit parent-teacher group, but as a booster organization, we are not affiliated with the state or national PTA. The Booster Club brings together parents/guardians, students, faculty, and staff to support Da Vinci and promote a school culture consistent with core DV values of mutual support, trusting relationships, and collaboration. For more information, check out the Booster website: <https://davinciboosters.net/>

Why we ask you to donate?

At registration we generally ask for monetary donations from our parent/guardian community. Your generous donations are tax deductible and are used THIS year to serve the DV community in various capacities. All DV signature projects, 9th grade field trip, school hospitality, PE and band equipment, Fall & Winter Feasts, and technology support are just a few of the things our organization provides to the school. Please consider donating to the Da Vinci Booster Club.

Please refer to the Da Vinci Booster donation form. You can fill it out and drop it off on August 23rd at the Boosters table at registration OR you can donate by going to the Da Vinci website <https://davinciboosters.net/> and click on the donate button. Easy. Lastly you can always mail a check to Da Vinci Booster Club c/o DVHS, 1400 East 8th Street, Davis CA 95616. Thank you.

Are there ways to volunteer?

We need volunteers for a variety of events and activities throughout the year (Registration, Fall & Winter Feasts, graduation, project paneling and staff lunches, etc.). We will send out messages as volunteer needs arise. Again, the Boosters cannot succeed without your help!

Booster Communications

The Booster Club uses Constant Contact email to communicate with the Booster community. We send out messages informing you about events and activities that are occurring on campus. We do organize many events that support our students and staff. All email communications will begin in mid-September, at the latest.

If you have any questions, concerns, and or comments please do not hesitate to contact Booster President Grace DeMasi at davinciboosters@gmail.com

Thank you,
Da Vinci Booster Club
