Adopted by the Board of Education March 6, 2014

WE ALL BELONG: SAFE AND WELCOMING SCHOOLS FOR ALL

On February 2, 2017, the Davis School Board approved a resolution providing a clear and transparent statement that DJUSD shall be a place where all students, employees and families feel welcome and safe regardless of their immigration status, race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or gender expression.

Specifically, the resolution addresses procedures for responding to federal immigration enforcement action as well as policy changes around data collection on student enrollment. The resolution marked an important, first step to begin the process of examining current policies and procedures, educating school employees, and working closely with community partners to ensure that all students and families, including those that are undocumented or marginalized, are able to receive education in a safe and supportive environment. For more information, see the We All Belong page on the DJUSD website.

Gender Identity and Expression

California law and District policy require that all programs, activities and employment practices be free from discrimination based on sex, sexual orientation, or gender identity. This policy is designed in keeping with these mandates to create a safe and non-stigmatizing learning environment for all students and to ensure that every student has equal access to all school programs, facilities and activities.

State law requires that all students shall be permitted to participate in sex-segregated school programs and activities, including athletic teams and competitions, and use facilities consistent with their gender identity, irrespective of the gender listed on the student's records.

School site administration shall coordinate with the District's Student Support Services Department whenever a student requests or the administration identifies a need to

accommodate a student's gender identity and/or gender expression. For more information, see LGBTQIA Supports on the DJUSD website.

ATTENDANCE

The success and wellness of all students in DJUSD is important to us. Students are better able to thrive mentally, socially and emotionally when consistently attending and engaging in the daily learning opportunities provided at school.

Studies have shown that 83% of students who are chronically absent in Kindergarten and first grade cannot read at grade level by the third grade. This statistic illustrates how important and powerful consistent attendance is for all students. It is DJUSD's goal to offer student engagement and learning that promotes academic achievement. This can only be successful if students attend school daily and take full advantage of educational opportunities.

Attendance also has a direct effect on the budget of the district. The State of California funds roughly \$42.92 per student, per day and therefore, the higher the attendance rate, the more funding the district receives. If student attendance increases, there will be increased revenue for employee compensation and improved educational opportunities.

Below are some of the reasons that qualify as an excused absence for the State of California. For a more comprehensive list of reasons, please see Attendance and Engagement on the DJUSD website.

- Student Illness and/or medical, dental, optometry or chiropractic appointments
- Attending the funeral services of a member of the student's immediate family (one day if the service is in California and three days if the service is out of state)
- Observance of a holiday or ceremony of his or her religion, attendance at religious retreats
- Serving as a member of a precinct board of an election
- Spending time with a member of the student's immediate family, who is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support position

Having an absence excused allows a student to make up missing work but does not provide funding to the district. The only way the district receives attendance funding is for the student to be in class or a sanctioned school activity, to be receiving home or hospital services as requested by a licensed physician, or to participate in short-term independent study. Short-term independent study is available for students who know in advance that they will be absent for five or more school days and enables the student to stay current with coursework provided by their classroom teachers. For more information, see Short Term Independent Study and Attendance and Engagement on the DJUSD website.

- Attendance and success in school go hand in hand! We want you here every day! When you can't be here, a parent or guardian must report your absence by calling the office (530) 759-1615 or you can bring a note that has been signed by your parent/guardian indicating your name, date of absence, and reason for your absence to the attendance office the very next day you return to school.
- If you need to leave early for an appointment, please bring a signed note at the beginning of the day. We will give you a pass for your release time. Remember, always check out and check back in to our office!
- We ask that parents & guardians not text or call students during the school day. Any emergency messages can be delivered to your student through the office.

Attendance Policies:

- You will receive an unexcused absence if you are absent from class without the permission of your parent or a school official.
- Please check Canvas whenever you are absent in order to track agendas in your classes and to email teachers and group members.
- You are expected to be on time for your classes to show respect to your group work time and to model professionalism.
- After the third tardy from any class, community service or other disciplinary consequences may apply.

SCHOOL-ISSUED STUDENT COMPUTER USE

Every student at Da Vinci Junior High is issued a Chromebook. These devices are property of Da Vinci Charter Academy, and are considered a privilege that may be revoked due to misuse. All students agree to the following upon being checked out a device:

- the device will be used for school/project work only (no games are allowed at anytime)
- the student will not eat or drink around the device.
- the student or their family will be responsible (financially or through community service) for any damage that is done to the device.
- the student will follow all instructions pertaining to the use of the device in classes (i.e. slanting screens, staying in appropriate programs).
- the student will bring any concerns regarding the device immediately to a Da Vinci staff member
- the student will report any misuse of software or hardware by any other student to a staff member as soon as possible
- no programs or files will be loaded on to computers without consent from a staff member
- no malicious files (malware, hacking software, viruses, or any other programs, real or fake) will be loaded on any device or transmitted via email.
- the failure to follow the above expectations may result in confiscation anywhere from a single class period to the remainder of the school year.

PERSONAL CELL PHONES & ELECTRONIC DEVICES

- At Da Vinci, technology is used as one of many educational tools. To that end, we allow students to “plug in” and use devices when teachers deem it appropriate. Such devices (including cell phones, MP3 players, iPods, etc.) are used to listen to music, take pictures for projects, or look up information.
- Portable Gaming devices such as the Nintendo DS and the Sony PS2 are not allowed to be used during school hours and should not be brought to school.
- Due to our one-to-one computer ratio, a device or phone (“smart” or otherwise) is NOT REQUIRED at Da Vinci.
- Parents and guardians are encouraged to speak with their student about responsible social media use (i.e. texting, Facebook, Instagram, SnapChat), especially students with mobile data plans.
- Students and their families accept responsibility for these items if they are brought to school.
- Outside of the Da Vinci B-wing, inclusive of lunch, passing periods, and Emerson elective classes, technology (including ear buds) should be turned off and put COMPLETELY away and out of sight.
- If technology is seen or used other than described above the following will occur: 1st Time – Warning 2nd Time – Item stored in the VP’s office for the day 3rd Time – VP will ask parent/guardian to pick up the item and discuss technology guidelines specific to the student and circumstance (loss of ipod/cell phone on campus may be enforced).

NEVER ‘BRING-TO-SCHOOL’ LIST:

The following items are illegal to possess on any school campus and may result in suspension and expulsion:

- Firearms, knives of any kind (including pocket knives), anything that could be used as a weapon, or any look- alike gun or weapon. (ED Code 48900 b)
- Alcohol, tobacco, or drugs of any kind. (Prescription medicine, as well as over-the-counter medication, must be stored in the Nurse’s Office (ED Code 48900 c,h,j))
- Matches, lighters, firecrackers, burning anything, stun guns or other explosives.
- IN ADDITION, DO NOT BRING;
- Aerosol cans, large sums of money, valuables of any kind, unsafe or disruptive wear.

STUDENT PROTESTS AND DISTURBANCES / EXPRESSIONS OF FREE SPEECH ON CAMPUS

Knowing there are widely held and differing opinions in our Davis community around controversial topics, DJUSD recognizes the rights of students to express their views in exercise of their First Amendment rights. In the case of on-campus student protests or expressions of free speech on campus, expectations for student behavior will be maintained in order to ensure safety. We also encourage families to discuss with students their views about controversial events.

Generally, normal instruction will continue during any voluntary, organized activity on campus and students who choose to participate in planned, on-campus activities are expected to return to class following such events.

Students who leave class to participate in off-campus or other unauthorized activities will be considered “unexcused.” An initial unexcused absence will result in a phone call notification of the absence to the parent/guardian. Students who participate in a campus disturbance shall be subject to disciplinary action in accordance with Board Policy and Administrative Regulations (See Board Policy 5131.4 and Administrative Regulation 5131.4).

BEHAVIOR INTERVENTIONS

DJUSD is committed to ensuring that school is a safe learning environment for every student. Beyond academics, school can be a place where students learn valuable life skills that will serve them well as adults and serve our society in beneficial ways. To that end, DJUSD takes a comprehensive approach to matters involving rights, responsibilities, discipline, and restoration.

School staff regard all students as their responsibility to teach, guide, and support. Thus, just as in a home with parents/guardians, all students at school deserve to be treated consistently with care, hope, and positive attitudes. Our goal in responding to harms to others or the community, including breaches of rules or policies, is to have students understand the effects and impacts of their actions, to be accountable for those actions, and to take the opportunity to make things as right as they can be. Clear and appropriate consequences are part of this effort by school staff to educate and to encourage positive, productive student behavior.

DJUSD does not allow corporal punishment at our district under any circumstances. Physical restraint may be used only to prevent imminent serious bodily injury to the student or others.

If the school site administrator determines a violation of education code has occurred, a suspension may be delivered. If the parent/guardian does not agree with the suspension, they may file an appeal. Specific information about the appeal process can be found on the suspension form.

DRESS CODE

DJUSD RECOGNIZES THAT THE RESPONSIBILITY FOR THE DRESS AND GROOMING OF A STUDENT RESTS PRIMARILY WITH STUDENTS AND THEIR PARENTS OR GUARDIANS.

The District’s goal is to promote student safety and to create a respectful community that is welcoming to all students. The District Dress Code policy applies to all schools in the district.

Allowable Dress and Grooming:

- Students must wear clothing which includes a shirt with pants, skirt, dress, or the equivalent
- Shirts and dresses must have fabric in the front and on the sides.

- Clothing must cover undergarments; however, waistbands and bra straps may show
- Fabric covering all private parts must not be transparent
- Footwear must be worn at all times, and must not limit student participation in school activities
- Hats and other headwear must allow the face to be visible and not interfere with the line of sight to any student or staff (hoodies must allow the student's face and ears to be visible to staff)
- Clothing must be suitable for all scheduled classroom activities including physical education (PE), science labs, wood shop, and other activities where unique hazards exist
- Specialized courses may require specialized attire, such as sports uniforms or safety gear

Non-Allowable Dress and Grooming:

- Clothing may not depict, advertise, or advocate the use of alcohol, tobacco, marijuana, or other controlled substances
- Clothing may not depict violence, obscenities, pornography, nudity, or sexual acts
- Clothing may not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation or any other protected groups
- Clothing must not threaten the health or safety of any other student or staff member

Generally, students who do not follow the dress code will be referred to the school office to correct the issue, which may include changing into PE clothes, wearing a t-shirt provided by the school, or being sent home to change. Every effort will be made by school staff to avoid embarrassing or shaming the student. All corrective actions will be reported to the parent/guardian.

Tobacco

The Board prohibits the use of tobacco products at any time in district-owned or leased buildings, on district property and in district vehicles.

The products prohibited include any product containing tobacco or nicotine, including, but not limited to cigarettes, cigars, miniature cigars, smokeless tobacco, snuff, chew, clove cigarettes, betel, electronic cigarettes, electronic hookahs, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products.

This prohibition applies to all employees, students and visitors at any school sponsored instructional program, activity or athletic event held on or off district property. Any written joint use agreement governing community use of district facilities or ground shall include notice of the district's tobacco-free schools policy and consequences for violations of the policy.

For more information, see Behavior Interventions and Dress Code the DJUSD website.

NONDISCRIMINATION AND BULLYING PREVENTION

Davis Joint Unified School District is committed to making the schools free from unlawful discrimination and providing equal opportunities for all individuals in education. The District prohibits discriminatory practices whose purpose or effect has a negative impact on the student's academic performance, or of creating an intimidating, hostile or offensive educational environment. The District promotes programs that ensure that discriminatory practices are eliminated in all district activities, and if a student benefits or receives school accommodations in their coursework, they may also benefit from similar accommodations in extra-curricular or co-curricular activities.

Any student who engages in discrimination of another student or anyone from the district may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in discrimination may be subject to disciplinary action up to and including dismissal.

In addition, the District strives to ensure that every student experiences a safe and welcoming school environment, free from bullying. When students do experience or witness bullying, schools offer a variety of supports, such as counseling, check-ins, social skills groups, and other programs or services. This is to ensure that students feel safe at school and understand what to do whenever confronted with bullying behavior. Interventions may be offered to the target, aggressor, or bystander.

Sexual Harassment

The District is committed to maintaining a safe school environment that is free from harassment and discrimination. Sexual harassment or sexual violence of students at a school-sponsored or school-related activity is prohibited. In addition, the District prohibits retaliatory behavior or action against any person, who reports, files a complaint or, testifies about, or otherwise supports a complaint or respondent in alleging sexual harassment.

According to California Educational Code, sexual harassment means: unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of these conditions:

- Submitting to the harassment is explicitly or implicitly made a condition of an individual's academic status or progress
- Submitting to, or rejecting, the conduct impacts academic decisions affecting the individual
- The harassment has a negative impact upon the individual's academic performance, or creates an intimidating, hostile, or offensive educational environment

- Submitting to, or rejecting, the conduct impacts decisions affecting the individual regarding benefits and services, honors, programs, or activities made available by the educational institution

The District strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or the Director of Student Support Services.

Title IX

No person shall, on the basis of gender, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance. If you have questions or a complaint related to sex discrimination, contact the Department of Student Services.

Complaint Process

When a parent or student has a complaint they are encouraged to talk to the school employee directly involved in the situation. If the issue cannot be resolved there, then the principal will intervene and strive to resolve the issue to the satisfaction of the parent and student. When parent or student complaints cannot be resolved at the site level, the Student Support Services Department conducts an investigation and provides a formal written response. Similarly, when there is a complaint regarding a compliance issue, the department investigates and responds to items related to Americans with Disabilities Act, Williams Act, ACLU and Office of Civil Rights, or any other compliance agency.

For more information, see Complaints and Bullying Prevention on the DJUSD website.
